# WELCOME TO THE NEXT EVOLUTION OF MINIGOLF...

# NEW SOCIAL EXPERIENCE

**REMARKABALL IS FINALLY HERE, OFFERING YOU THE NEXT EVOLUTION OF MINIGOLF.**

## SO HOW DOES IT WORK?

It's pretty simple, you share with us your available space. We review the space and dive into our unique library from which we together make a selection of courses. We then provide you a preliminary lay-out including a clear proposal for delivery.

# WHAT IS INCLUDED IN THE DELIVERY?

Each delivery includes the courses itself, use of our software license and all required technology. The client does need to make some preparations, which we will clearly explain in our proposal.

## GENERAL

## EACH COURSE

# CAN I CHANGE THE DESIGN OF THE COURSES?

All courses are specifically designed around our unique gameplay that is programmed in the software. Therefore the course lay-out and use of materials cannot be changed. We do however offer the option to change the graphics on the outsides to add your own identity to the courses.

# WHAT ABOUT THE PHOTO OPPORTUNITY?

The experience is not complete without giving your guests the opportunity to directly share it with friends and family. The perfect way to seal the memory and spread the word!

Share the picture on social media!
